

Hive Systems Password Table Licensing and Use

Can I share/use this table?

- **Yes!** We create all of our research to bring greater awareness around the importance of cybersecurity. This table is free to share and post **in its original form** - even for publishers.
- You must attribute Hive Systems and link back to the source webpage (<https://www.hivesystems.com/password>) when possible based on the publishing method (e.g. sharing online).
- Use of our materials does not imply endorsement by Hive Systems.

Questions about using/sharing the table?

- Reach us at information@hivesystems.com
